**SEMI-FORMAL ATTENDEES**

**Student ID Required**  
**for admittance**

In our never ending quest to provide a safe and orderly environment for our students while at school sponsored events, the following policies will be in effect for school semi-formal events. Both students and their parents/guardians should review the following information, sign where applicable, and return this form to the class advisor when purchasing the ticket for the semi-formal event.

**1. Breathalyzer:**

- A. Upon reasonable suspicion that a student has been consuming alcohol at a school sponsored event including the semi-formal, is under the influence of alcohol, or is in possession of alcohol, at school or on school property, as determined by school officials, a breathalyzer test will be requested. The student's failure to comply will result in removal from the event, notification to parent and further disciplinary action including, but not limited to, suspension from school. (In accordance with existing policy – see Out of School Suspension, p. 58, current Student/Parent Handbook)
- B. If administered and the first test is positive, a second test using a different portable unit will be administered. If the second test is failed, a third test will be administered using a different unit. If this test is positive, the student will be:
  - 1. removed from the event
  - 2. detained by the police until a parent or guardian picks him/her up
  - 3. subject to appropriate discipline as referenced in the Student/Parent Handbook

**2. Drug Recognition Specialist:**

- A. Upon reasonable suspicion that a student or attendee/guest has been consuming drugs at a school sponsored event, is under the influence of drugs, or is in possession of drugs, at school or on school property, as determined by school events, an assessment by a Drug Recognition Specialist would be requested. The student's or attendee's/guest's failure to comply would result in ejection from that activity, notification of parent and further disciplinary action including, but not limited to, suspension from school. (In accordance with existing policy. See Out of School Suspension Section in current Student/Parent Handbook.)
- B. The Drug Recognition Specialist will conduct the evaluation using the techniques supported by the training that they have received. If this evaluation is positive, the student will be:
  - 1. removed from the event.
  - 2. detained by the police until a parent or guardian picks him/her up.
  - 3. subject to appropriate discipline as referenced in the Student/Parent Handbook.

**3. Attendance:**

- A. Students are required to arrive no later than 30 minutes after the scheduled starting time of the event.
- B. Anyone leaving the event before the scheduled exit time will not be allowed back in.
- C. At the end of the evening parents/guardians must enter the building to pick up their student.

**4. Decorum:**

- A. Proper dress and behavior are expected at all times.
- B. A semi-formal is a school event. All Student/Parent Handbook rules are in effect for school dances/activities.

**5. Guests:**

- A. Freshmen/Sophomores are permitted to bring one guest only after the guest has completed a Request to Attend form and this contract. Both must be returned to the class advisor when purchasing the ticket. All guests must comply with the above stated Breathalyzer policy.
- B. Guests are bound by all the rules/policies governing school dances/activities.
