

For parents/guardians that are **brand new to the district that do not have an Aspen account and the only means of getting internet is through their mobile device**, here's what you need to do if you don't see the "Request for Account":

Step 1: If you have an iPhone, you will need to download the Chrome app.

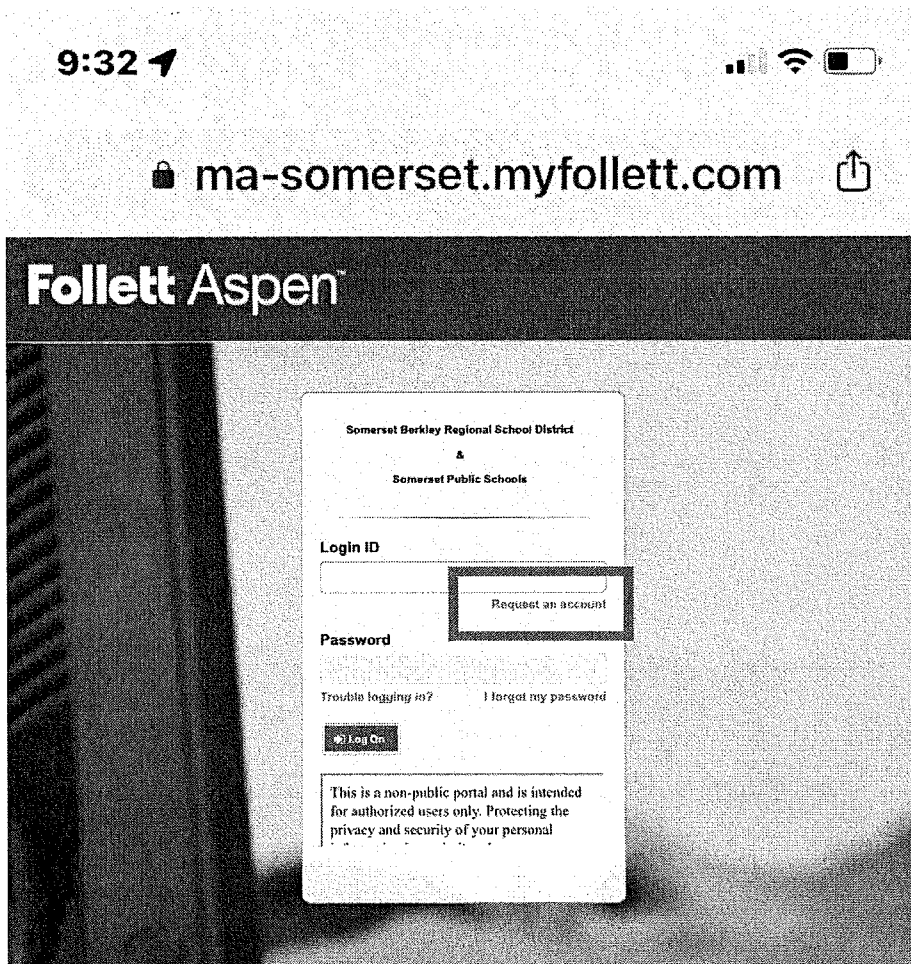

Step 2: Go to the following URL in a google browser. [Ma-somerset.myfollett.com](https://ma-somerset.myfollett.com).

Step 3: At the bottom of the screen click on the ellipse

Step 4: Scroll through the list and select "Request Desktop Site".

Step 5: Then you will see the "request an account" and click on that.
