April is finally here...

Short month with vacation but we are all looking forward to the warm weather. Things are also heating up in the school (see what I did there). Check out all of our upcoming events.

Our New Schedule...

There has been a lot of talk about our new schedule and the rationale behind it. Truth is it can be summed up in one word, time. Our new schedule will be increase the time our students spend with teachers significantly. This will allow all courses to have the time to work on the 21st century skills that high education and the business world is clamoring for. The new schedule will also be able to explore new opportunities like dual enrollment and internships. The famous question, "What letter day is it again" will be a memory as our new schedule is based on a five day schedule matching the real world. It is also going to give us an opportunity to give help to the students that need it or allow students who are achieving academic success to explore different topics through our new Blue Raider Block. More on the Blue Raider Block in future issues of the BRR. Below is a copy of the new schedule.

Scheduling Classes...

Students will be scheduling classes starting on April 1st. Teachers have put recommendations into the schedule. Feel free to use this time to talk to your child about their selections. Elective selections are important because if a student selects a course as one of their options and receives it, they **will not be able to drop it**. If they are having a problem logging on or following the process that was emailed to them in a power point, have them see their guidance counselor, meet with the help desk in the library in the southwest corner or see me.

Bonded together from the beginning...

Have you every wondered how we became "Blue Raiders"? Are we "Raiders" or is it "Blue Raiders"? How does Case fit into this? Well here is an article written about the process from October 3,1940.

Swansea High football team named 'Case Cardinals' Somerset eleven to be known as 'Blue Raiders'

With this publication The Spectator takes keen pride in fixing on the Somerset and Swansea High School football teams the names selected this week from hundreds of suggestions by pupils and townspeople. The Spectator sought the cooperation of principals and coaches of the two high schools in an effort to give the two teams titles that would set them apart from other town high schools.

The school principals and coaches did cooperate, and so we announce the titles of the local elevens:

The Somerset High School Football Team will henceforth be known as the "Blue Raiders."

The Case High School Football Team will henceforth be known as the "Cardinals" or the "Case Cardinals."

Credit for naming the Somerset eleven goes to Miss Marian Doucette, daughter of Mr. and Mrs. Edward P. Doucette of 133 South Street, Somerset. She is a junior and member of the library associates.

The Case team was named by Ivan W. Tanner who submitted 22 different titles and the "Cardinals" was the 21st on his list.
