On Your Marks...

May is considered the sprint until the finish line. It tends to be assessment month between Senior Finals, AP testing and MCAS testing. May also holds the push for league titles in athletics and the annual school musical. For Seniors, this is the month where it all starts to get REAL. This is the point where the comfort of predictability wanes and the heightened focus on their next adventure begins. They are ready but like in any great race if you start to focus on the line you can misstep and cause a great fall. Push through and dance on the other side of the finish line. We all will be there to hug you when you make it.

Get Set...

Prom Season is in full bloom. There are dresses and tuxes to get, transportation to arrange, venues for that perfect picture to select and of course don't forget to buy those tickets.

Tickets for the Prom will go on sale starting on Tuesday May 14th and run through Friday May 17th. Tickets are available on Monday May 20th for an additional \$5. Contracts will be available online starting Wednesday May 8th. The Prom is at Gillette Stadium beginning at 6pm and ending at 10:30pm.

This night is going to be a great time. As always, we expect our students to be on their best behavior. Please be advised that if there is discipline that needs to occur due to an unfortunate decision (this includes but is not limited to drugs, alcohol, vaping, violence, bullying or harassment) seniors may lose their ability to participate in graduation exercises. Underclassmen will also be disciplined accordingly. Let's focus on having a great night all together one more time.

Non-School Sanctioned Events...

We are aware of non-school sanctioned events that students plan outside of the school such as a scavenger hunt or a "tag-style" game. Somerset Berkley Regional High School does not support nor condone students participating in these events. Both events, in the past, have caused issues and injuries due to the over zealous nature of some of those participating. We want our students to have fun but also keep everyone safe in the process. "I didn't mean to" never makes a victim or their families feel any better. It is never a big deal until it happens to you. Please be smart and be safe.
