WHO ARE YOU THANKFUL FOR??

Happy November!

November is a time to give thanks for the people in our lives and the impact they make on us, even if they may not know they are doing so.

Is there a student or staff member that you are thankful for because they have gone above and beyond for you in some way? If so, please use the correct form to recognize that individual (can be anonymous, or not) and tell us why you are thankful for that person. Anyone recognized will receive notification of this recognition and will be entered into a drawing for a prize at the end of the month. Recognition can be a student recognizing a staff member or another student, a staff member recognizing a fellow staff member or student, OR a community member recognizing either a staff member or student.

Each month we will focus on the positive impacts people make in each other's lives. We will hold a drawing each month as well. Please visit our website to find these recognition forms each month. Don't feel like you are limited to one recognition. Feel free to recognize as many people, and as many times, as you see fit.

As you read the newsletter, you will see pictures of staff members who, last week, got into the holiday spirit. We hope they bring a smile to your faces!

Chromebooks

Chromebooks are still on back order and we appreciate everyone's understanding with this difficult situation. Please note that in our attempt to get a Chromebook to students without another device at home, we have run out of extra devices. Therefore, it is imperative that students come into school with a charged device. We have NO devices left to borrow out of our library.

AP Exams

Any student who is enrolled in an AP course should go to myschoolbucks.com to sign up and order their test. Each test is \$98. Payments must be made by December 1, 2020.

End of Term: November 17, 2020

Please be sure to check your child's Aspen account to view his/her grades. **Grades WILL close and be final on November 17th.**

Library Opening After School/ Late Buses

The library will be opening after school beginning Monday, November 9, 2020 from 2:15-3:45. Students will need to sign up using signup.com. In addition, students that are looking for extra help from their teachers (or to make up work) can also make an appointment with the teacher.

The late bus will also be available beginning the 9th. Any student staying after school **MUST** remain with the adult they are scheduled with OR be in the library until their ride comes. Students must be picked up by 3:45 p.m., unless participating in athletic or music practices.
