

Welcome to AP Euro! AP European History is a survey course that explores topics and themes in European history from 1400 through today. I would love for you to have an excitement and interest in what we will be studying this year, so please complete the following summer assignments to peak your interest. I look forward to a successful year.

Due: first day of class

1. Significance of Historical Figures:

Peruse through your text or online and choose 5 historical figures that will be studied in European History during 1450-2001. In a brief paragraph explain why you chose this significant individual including this person's social, economic and political impact on Europe.

2. Chapter 10 Outline:

Please read and outline Chapter 10 in The Western Heritage textbook, so we can hit the ground running in September.

I will email an online text access code over the summer.
