

# FREE Summer 2022 Math Academy @SBRHS August 15-18 7:45am-12:45pm

**Who?** ANY HIGH SCHOOL STUDENT, includes incoming grade 9!

**Cost?** FREE! In addition, there will be daily raffle prizes for participation including gift cards to local restaurants. It also includes free lunch daily.

**Why?** To do fun real-world activities that support growth in math and fill in learning gaps that may have occurred the past few years. We will strengthen skills for students of all mathematical abilities. We will also provide enrichment for those students already on or above target.

IF INTERESTED, EMAIL Mr. Andrew Laurence at [laurencea@sbrregional.org](mailto:laurencea@sbrregional.org) for more information and to register your student.

Registration closes August 11<sup>th</sup>.
